

# EHPE3150CE

## Multi-functional Cycloaliphatic Epoxy Resin

### <Description>

EHPE3150CE is mixture of EHPE3150 and CELLOXIDE2021P. EHPE3150 which is multi-functional cycloaliphatic epoxy resin is a solid, but EHPE3150CE becomes liquid by dissolving it in CELLOXIDE2021P. Therefore the handling becomes easy.

### <Composition / Information on ingredients>

*Composition of Components in Mixture (Approximate)*

| Chemical Name of Component   | Concentration in the Mixture | CAS No.    |
|--|------------------------------|------------|
| Condensation product of<br>1,2-epoxy-4,4'-oxybis(cyclohexane) and<br>2,2-bis[4-(4-epoxycyclohexyl)phenyl]propane | 95%                          | 26673-98-7 |
| 2,2-bis[4-(4-epoxycyclohexyl)phenyl]propane<br>2,2-bis[4-(4-epoxycyclohexyl)phenyl]propane                       | 5%                           | 1288-87-8  |

### Global Regulations

| RoHS      | REACH     | SVHC      | REACH     | RoHS      | REACH     | SVHC      | REACH     | RoHS      | REACH     | SVHC      |
|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|
| Compliant | Compliant | Compliant | Compliant | Compliant | Compliant | Compliant | Compliant | Compliant | Compliant | Compliant |
| ✓         | ✓         | ✓         | ✓         | ✓         | ✓         | ✓         | ✓         | ✓         | ✓         | ✓         |

(\*) Compliant with the REACH SVHC regulation.

### Typical properties

| Item       | Value      |           |                  |                          |                   |                     |
|------------|------------|-----------|------------------|--------------------------|-------------------|---------------------|
|            | Appearance | Color     | Viscosity (25°C) | Storage stability (25°C) | Shelf life (25°C) | Storage temperature |
| EHPE3150CE | Clear      | Colorless | 100              | 100                      | 1 year            | 0-40°C              |

It should be noted that typical property values shown in this technical data sheet are representative values and are not guaranteed values. Please contact us to obtain detail of product and guaranteed values.

Please refer to our MSDS (safety data sheet) for information on the handling of each product.
